

THE NEBRASKA SOCIETY FOR RESPIRATORY CARE
A Chartered Affiliate of the American Association for Respiratory Care

and

are pleased to present the following program:

2016 Chronic Disease Management Across the Continuum of Care Series

Session 2

March 30, 2016

Madonna Rehabilitation Hospital

5401 South Street, Lincoln, Nebraska 68506

Sheridan's/North Commons

4:30pm – 6:30pm CENTRAL STANDARD TIME

“COPD Management for the Healthcare Provider and Patient”

Melissa Gulizia, RRT

4:30pm – 5:30pm CST 1.00 Contact Hour

OBJECTIVES

1. Describe COPD, risk factors, signs & symptoms of the disease and the diagnostic tests used to diagnose COPD
2. Summarize strategies to decrease the high financial burden to the healthcare system from COPD exacerbations by reducing hospital readmissions
3. Describe an ongoing disease management plan based on patient and family education

“Does Hyperglycemia Play a Role in COPD Exacerbation?”

Jenny Bush, BS-RRT, CCM

5:30pm – 6:30pm CST 1.00 Contact Hour

OBJECTIVES

1. Summarize the elements of Chronic Diseases
2. Identify the inflammatory processes common to COPD and Diabetes
3. Explain what current research is showing us on the impact of Diabetes and COPD.

Target Audience: Nursing, Respiratory Therapists, other ancillary healthcare providers and community participants
