(Registration and Breakfast starts at 08:00)

WAVERLY COMMUNITY CENTER

11120 N. 141ST St. Waverly, NE 68462

A great FREE educational opportunity for future Respiratory Therapists!

This is the event you don't want to miss!

We have a great venue of speakers to discuss hot topics for students going into the profession.

Presentations include:

- What does the AARC and NSRC and other professional organizations mean to you?
- What should I expect or prepare for after I graduate?
- What career options are available to respiratory therapists?
- How to choose the right job for you and more!

Plus we will have some FUN respiratory student competitions too!

**Please register online for the event by no later than
Monday, October 17, 2022!**
