## NSRC DELEGATE REPORT

Delegate A - Dr. Lisa Fuchs, Ed. D, MHA, RRT, CTTS, CHWC

Delegate B - Melissa Gulizia

The AARC House of Delegates met virtually in March. The HOD will be sending a out a survey regarding the Leadership Boot Camp and the feasibility of brining it back as a in-person event for 2024. The Leadership Boot Camp is currently scheduled to be virtual for 2023.

The AARC is reaching out to the state societies to bring back the Sputum Bowl for 2023. They are currently gathering information from the state societies regarding participation in the Sputum Bowl, as well as promoting it on AARC social media sites. Nebraska currently does not hold a Sputum Bowl, but has in the past. This will be a discussion topic at the next NSRC board meeting.

**Chartered Affiliate Committee** - The committee is working hard on several projects. One project involves gathering information from the state societies and developing a streamlined onboarding checklist for new board members that will be available for all state societies to use.
