2024 NSRC Student Workshop

The NSRC Student Liaison Committee recently hosted the annual student workshop during RT week in October. Highlights of the workshop included interactive panels discussions, state licensure presentation, Sputum Bowl competition, and a fun-filled Respiratory Relay Race. The event was a fantastic opportunity for students to learn, connect, and showcase their respiratory care knowledge! A big thank you to all of the vendors who contributed to the event and interacted with the students!

2024 AARC Congress Highlights

The NSRC had a lot to celebrate at this year's Congress. Christine Hamilton was recognized as a FAARC and Ashley Kamien was awarded the ARCF William F. Miller, MD Postgraduate Education Recognition Award. **Congratulations!**

HOUSE OF DELEGATES

Melissa and Lauren represented Nebraska at this fall's AARC House of Delegates meeting. The meetings exemplified the AARC's strategy to elevate, engage, advocate, and educate within the field of respiratory care. Highlights of the meeting included:

- Degree Advancement Roundtable
- Faces Foundation presentation
- HOSA Roundtable
- Respiratory Care Interstate Compact (RCIC)
